### **Background**

The San Antonio-Bexar County Urban Transportation Study (SABCUTS) Transportation Steering Committee (now known as the Transportation Policy Board) was designated by the Governor of Texas as the MPO for the San Antonio-Bexar County metropolitan area in August 1977. The designation continues and the San Antonio-Bexar County Urban Transportation Study area is defined as encompassing all of Bexar County, Comal County, Guadalupe County and a portion of Kendall County. The Alamo Area MPO receives and manages transportation planning funds from FHWA, FTA, the Environmental Protection Agency (EPA) and TxDOT. In addition, local funds have been provided both in the form of cash and in-kind services by the local agencies involved in transportation planning. The Alamo Area MPO has an annual budget that generally varies between \$2.5 and \$3.5 million.

The purpose of the funds is to provide for a continuing, cooperative and comprehensive transportation planning process as outlined by federal and state regulations. The Alamo Area MPO is responsible for this process and as such, all funds are programmed and approved by the Alamo Area MPO.

Pass through funding for transportation planning is also provided to the following agencies through agency contracts as outlined in the current Unified Planning Work Program (UPWP).

- Alamo Area Council of Governments
- VIA Metropolitan Transit

In addition, the Alamo Area MPO enters into third party contacts with consulting firms for professional services as outlined in the UPWP. The Alamo Area MPO also has an agreement with Bexar County for the provision of fiscal services.

The Alamo Area MPO is also the recipient of pass through funding from the City of San Antonio.

The Alamo Area MPO's financial records may be reviewed during normal business hours at the Alamo Area MPO office by appointment only. The Alamo Area MPO office is open from 8:00 a.m. to 5:00 p.m. Monday through Friday, excluding holidays. Please call in advance to (210) 227-8651 for an appointment.
