

Policy 3 Proposed Revisions

Projects will be considered for funding from Category 5 CMAQ, 7 STBG, and 9 TA if the governing body of the sponsoring agency either owns, controls, or has written authorization from the owner of the facility for the project to be submitted for consideration. Failure to show ownership or written authorization from the governing body that owns the facility, will disallow the project from being considered for funding. If a project is funded on behalf of an applicant who is not the owner of the facility, and the owner of the facility withdraws its authorization after funding is approved, that project will be removed from funding. The governing body of either the sponsoring agency or owner of the facility will promptly notify AAMPO, in writing, of the programmed project that is proposed to be deleted. Once the project is deleted, the governing body of the sponsoring agency shall have priority in stating its preference for project replacement. The Transportation Policy Board will provide direction and/or may consider action at the next appropriate meeting. **Regardless of the aforementioned policy, any sponsoring agency that has authority under state law to utilize a facility for a project without written authorization from the owner of the facility may submit a project for consideration without the requirement of written authorization from the governing body that owns the facility.** ¶
