

SPARE THE AIR

Fiesta Medal

Follow three quick tips to reduce your ozone footprint

1

Use smart commutes besides driving alone – carpooling, transit, walking, biking, or telecommuting, etc.

2

Avoid drive-thru's and idling your vehicle while standing or waiting

3

Maintain proper tire inflation by keeping your tires at the PSI found on your driver's side door jamb

Walk, bike
or ride a
scooter

Carpool

Drive less

Take public
transit

Telecommute

Join our Fiesta Challenge

SPARE THE AIR

- Log non-SOV trips during Fiesta (April 20-30) for a chance to win one of three \$50 gift cards and one grand prize of \$100
- Each pound of NOx and VOC reduced will count as one entry
- Download Alamo Commutes to earn rewards, find carpools, and win prizes throughout the year
