

Transportation Improvement Program (TIP) and
Metropolitan Transportation Plan (MTP)
Amendments

Transportation Policy Board
December 15, 2025

AAMPO

The logo for AAMPO features a white, stylized graphic element below the text. This element consists of a thick, curved line that starts on the left, rises to a peak, and then descends to a point on the right, resembling a stylized wave or a bridge structure.

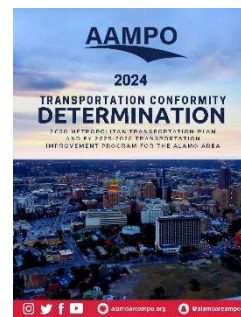

AAMPO Plans and Documents

Transportation Improvement Program (TIP): Funded transportation projects within a four-year timeframe; locally adopted **July 2024**, **November 2025** federal approval.

Metropolitan Transportation Plan (MTP): Future goals, strategies and transportation projects for 25 years; update coming in 2026.

Transportation Conformity Document (TCD): Evaluates future transportation projects to ensure they cause no further harm to air quality; approved through a significant interagency consultation process; locally adopted **July 2024**, **November 2025** federal approval.

Metropolitan Transportation Plan (MTP)

- Covers a time period of twenty plus years (*Mobility 2050*)
- Formally updated, at a minimum, every four years
- Financially constrained
- Developed cooperatively among the partner agencies
- Amended concurrently with the Transportation Improvement Program (TIP) to ensure consistency.

Transportation Improvement Program (TIP)

- Covers a time period of four years
- Formally updated every two years
- Financially constrained
- Developed cooperatively among the partner agencies
- Must be consistent with the Metropolitan Transportation Plan (MTP)

Amendment Process

In accordance with AAMPO policy,
amendments to the
Long Range Transportation Plan (MTP)
and the
Short Range Transportation Plan (TIP)
normally occur in a two-step process with
presentation one month and
action the following month

State and Federal Funding Categories Affected by this Request
