AAMPO

The logo for AAMPO features a white, stylized graphic element below the text. This element consists of a thick, curved line that starts on the left, rises to a peak, and then descends to the right, ending in a sharp, arrow-like point. The background of the slide is a dark blue gradient with a faint, high-angle view of a city skyline.

One Step Amendment Process

- **One step process:** information and approval in same month allowed with 75% vote of TPB quorum
- Action must be emphasized in the TPB meeting agenda **10 days prior to approval; special public hearing held within TPB meeting.**

Action Requested

Motion to waive AAMPO's routine two-step Metropolitan Transportation Plan and Transportation Improvement Program amendment process and enter into a public hearing.

AAMPO Plans and Documents

Transportation Improvement Program (TIP): Funded transportation projects within a four-year timeframe; locally adopted **July 2024**, **November 2025** federal approval.

Metropolitan Transportation Plan (MTP): Future goals, strategies and transportation projects for 25 years; update coming in 2026.

Transportation Conformity Document (TCD): Evaluates future transportation projects to ensure they cause no further harm to air quality; approved through a significant interagency consultation process; locally adopted **July 2024**, **November 2025** federal approval.

- Covers a time period of twenty plus years (*Mobility 2050*)
- Formally updated, at a minimum, every four years
- Financially constrained
- Developed cooperatively among the partner agencies
- Amended concurrently with the Transportation Improvement Program (TIP) to ensure consistency.

Group CSJ

FY 26 - CAT 10 - CRP Projects

- AAMPO is proposing to group all **FY 26 CAT 10 - CRP** projects to shorten review and approval time to allow TxDOT to move forward as soon as possible.
- **Policy 3** does not list CRP as a funding category and does not allow AAMPO funded projects to be grouped. This approach is being used to accelerate approval while being fully transparent.
- **All projects** will still be listed individually on the AAMPO website, in the TIP document, and in the TIP project list. **The Group CSJ will not appear in the STIP Portal, which is standard.**
