August 1, 2023

Mr. Al Alonzi  
Division Administrator  
Federal Highway Administration  
300 East Eight Street, Room 826  
Austin, Texas 78701

Attention: Ms. Barbara Maley

Dear Mr. Alonzi:

The Texas Department of Transportation (TxDOT) has reviewed the Alamo Area Metropolitan Planning Organization's (AAMPO) 2023 Transportation Conformity Report and support documentation including Mobility 2050: The Metropolitan Transportation Plan (MTP) and 2023 – 2026 Transportation Improvement Program (TIP). As stated in the Pre-analysis Consensus Plan for the AAMPO 2023 Conformity, AAMPO performed build versus no-build and less-than-baseline tests as required under 40 CFR §93.119(b)(1).

Based on the information received through the review process, TXDOT has determined that the requirements for the stated MTP and TIP have been met and TxDOT concurs with a positive conformity determination pending receipt of the United States Environmental Protection Agency's (EPA) concurrence letter and resolution of the Federal Highway Administration's (FHWA) remaining questions. The Texas Commission on Environmental Quality (TCEQ) has provided their letter of concurrence to FHWA.

Please accept this letter as the official submittal of the conformity findings for AAMPO on behalf of TxDOT.

Sincerely,

DocuSigned by:

F7C3A3059FEB4F2...  
Humberto González, Jr., P.E., M.B.A.
